

ALBERTA INDOOR ROWING CHAMPIONSHIP

First and foremost: Thanks to Peter, Todd, Janos, Darlene, and all the rest of the folks at Lakeland College who made this possible

Thanks too, to all the folks who came up from Calgary, Red Deer, and Edmonton to take part in the indoor championship, braving the odds of a Prairie winter drive.

37 people raced.

Juniors were few and far between thanks to the Alberta examination schedule - most Grade 12's in Alberta were cramming (swotting) their brains out preparing for "diploma" exams, and chose not to make the drive.

Thanks to all who helped with setup and takedown of the competition site.

As well, to the UARC members who helped lug rowing equipment up and down stairs, and to PC helping unload ergometers at the Edmonton Rowing Club, thanks for all your help with this on some cold and snowy days.

Thanks to Concept 2 for the use of the Race system kit - this would not be possible without access to the loan of PM2+ monitors, cables and all the other little bits and pieces that make the racing possible.
